

Vehicle Theft Protection

Product Knowledge

What is it?

Theft deterrent system that provides a cash benefit for the purchase of a replacement vehicle in the event of a covered loss.

Parameters

- A 12-point vehicle marking system is used to permanently apply a traceable identification code that is registered with the National Insurance Crime Bureau (NICB).
- New and Pre-owned vehicles are eligible for coverage.
- Commercial-use vehicles are not eligible.
- Vehicles exceeding one-ton capacity are not eligible.
- Physical Damage Insurance does not have to be in force.
- Security Solutions coverage can be transferred.
- Security Solutions coverage could qualify the customer for a comprehensive insurance discount.
- A covered loss includes a vehicle that is stolen and not recovered within 30 days, or it is recovered but determined to be a total loss.
